

**A THANK YOU note from TJMCOAA**

Dear Sumiao Hunan Kitchen,

We would like to extend our heartfelt gratitude and sincere thanks for your contribution to the TJMCOAA's "Wuhan Emergency Relieve Fund". Your generous gifts have helped us to fulfill our fundraising mission in helping our Alma Mater and our alumni in combating the recent outbreak of the deadly Novel Coronavirus (COVID-19) in Wuhan.

During the devastating crisis, hospitals in Wuhan were in extreme shortage of personal protective equipment (PPE), such as caps, masks, goggles, gowns, shoes, and *etc*, doctors and nurses on the coronavirus frontline were risking their lives to treat patients, fighting COVID-19 without protection. Your generous donations were used to purchase these urgent medical supplies. With the helps from you and others, TJMCOAA were able to purchase and ship tens of thousands of PPEs to those hospitals as reported in TJMCOAA website ([www.tjmcoaa.org](http://www.tjmcoaa.org)).

Serving the best interests of our alumni and their alma mater has been the most important mission of our organization. Our aim is to provide free medical consultation as well as emergency relief or humanitarian aid. Our mission can only be accomplished because of compassionate donors like you.

Once again, on behalf of TJMCOAA, we want to thank you for helping us make a positive difference. Your support encourages our continued commitment to reaching our goal.

Sincerely yours,

Zheng Jenny Zhang, M.D.  
Treasurer, TJMCOAA

Charles Wang, M.D.  
President, TJMCOAA
